## Coaching

My time in the CHW apprenticeship was nothing short of transformative. I gained hands-on experience, built lasting connections, and developed the confidence to serve my community with purpose. CHW Strength created a space where I felt seen, supported, and empowered to grow—both professionally and personally. I'm deeply grateful for the journey! —Aba Anison-Amoo

Through the dedication and mentorship of the CHW Strength apprenticeship I was able to connect with my community in a way I never imagined. This has led me to hold several community meetings and myself begin mentoring members of my community. I'm now in a position to open my own nonprofit as a way to continue building and strengthening parents in my area. —Christen Johnson
